Thematic Areas of Publicity

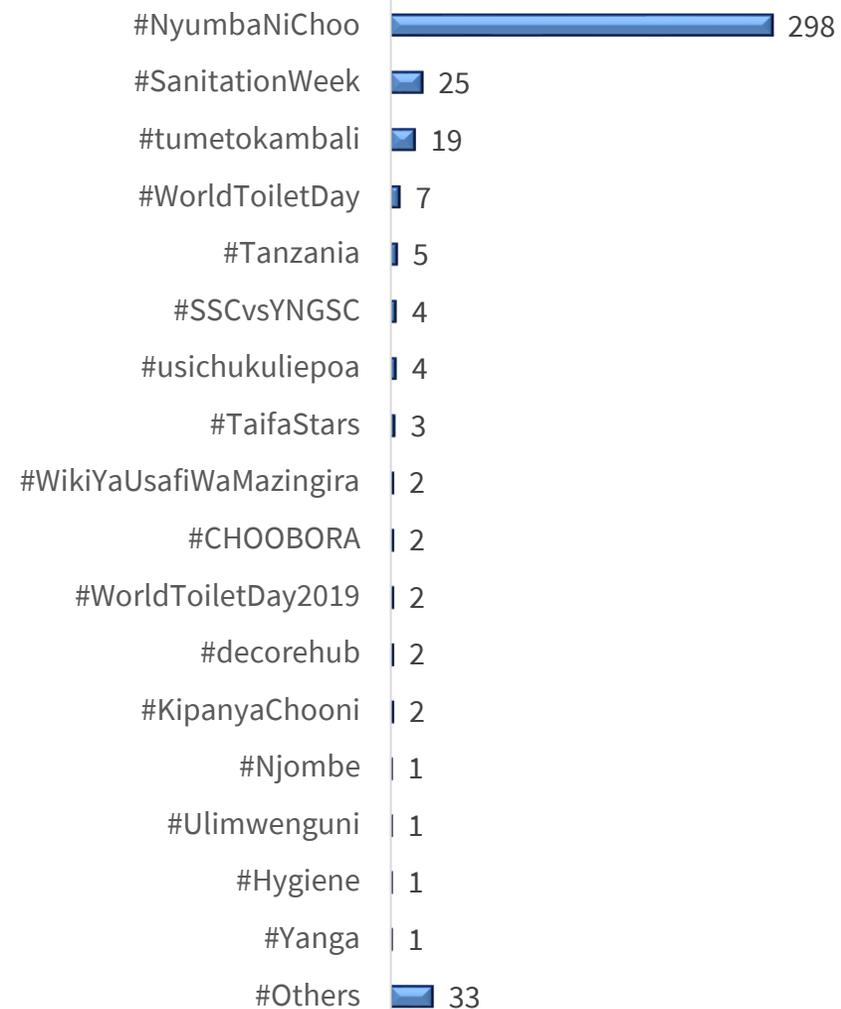

- ❑ The word cloud above is a representation of the topics around which the online publicity revolved around.
- ❑ The sizes are proportional to the amount of publicity under each topic.

- ❑ The whopping 93% Positive share of publicity was largely driven by **Nyumba Ni Choo's** own content, and subsequent replies and retweets which somewhat meant endorsements.
- ❑ The mobilization from influencers with informative posts also contributed to the above occurrence; one of the indicators of the campaign's success.
